K86B Kiosk

The interactive order point

The K86B self-service kiosk is compact, robust and designed to give your customer a fully interactive experience from beginning to end. The unattended platform minimises the footprint within your store, making it the perfect choice for QSR, hospitality and leisure.

You can choose from a Honeywell scanner; an Epson TM-M30 or Star McPrint3 printer; a Verifone or Ingenico PED; and Wireless LAN + BT.
