

K889 Kiosk

Express self-service

Streamline your customer ordering with the K889. A sleek 21.5" kiosk with a variety of peripheral and stand options, the K889 is ideal for retail & hospitality self-checkout.

You can choose from a Honeywell scanner; an Epson TM-M30 or Star McPrint3 printer; a Verifone or Ingenico PED; webcam, LED status light and MSR options; and Wireless LAN + BT.

Powered by the Ninja compute module, the K889 benefits from ease of maintenance and minimal downtime.

System
